FOCUS NEXT
COMPUTING

Who are we ?

Who are we ?

FOCUS NEXT COMPUTING is a Moroccan company founded in 2017 and specialized in IT Infrastructure Services.

We support our Clients aligning their IT infrastructures with their Enterprise Strategy, planning the infrastructure transformation roadmaps but also designing, implementing and managing their IT assets.

FOCUS NEXT COMPUTING is also a privileged partner of many integrators and manufacturers to provide their customers with high added value services in complex contexts and large-scale projects.
